

CAMP ADVENTURE at...

THE **LEARNING PATH** PRESCHOOL

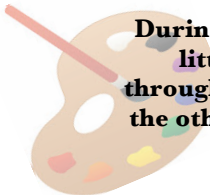

"Adventure Week"

The first week of camp starts with some fun and exciting Adventures through TLP . Your children will have various outdoor adventures through nature, music, water play, scavenger hunts and more!

"Dino ROAR!"

This week is all about our Pre Historic friends. We will celebrate our knowledge of dinosaurs throughout the week learning about different types, dinosaur bones, and fun with dinosaur crafts. The children will go on a prehistoric DIG to end the week.

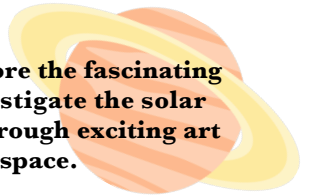

"Messy Artist"

During this week we will have fun and get messy with art! Our little Picassos will be exploring various mediums in art throughout the week. Each child will work with canvass art and the other making 3D clay art. Also this week we will invite each child to dress like a rainbow!

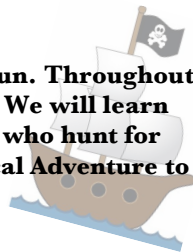

"Out of this World"

During our space week, children will explore the fascinating world of Outer Space. The kids will investigate the solar system, stars, and astronauts and soar through exciting art activities and games related to space.

"Oceans of Fun"

This week is a TLP favorite and truly oceans of fun. Throughout the week we will be exploring all things ocean! We will learn about animals under the sea, turn into pirates who hunt for treasure and have a special Under the Sea Musical Adventure to end the week!

"Welcome to the Jungle"

This week is all about the wild world of Jungle Animals. We will have endless experiences learning about safari animals. We will have fun sightseeing as we go on safari as well as explore different traits, colors, and names of all the animals. The children will splash and play throughout the week in our TLP watering hole.
